ALASKA

Your Notary Public License is up for renewal. Renewing you notary has never been easier. To bypass completing this form, **RENEW ONLINE** at www.BeANotary.com

To renew your commission, you must obtain a new notary bond in the amount of one thousand dollars. (\$1,000) for new four year term. If you work for a **Governmental Agency** and you may be notarizing outside of the workplace you must obtain a **Notary Bond** in the amount of one thousand dollars (\$1000) for the new four year term.

The State of Alaska does not require you to obtain a new seal or notarial marking device when you renew your commission. However if you should wish to change the type of seals that you presently have, we can provide those. The state handbook also suggests a 'My Commission expires' with your name on it which we can also provide.

We also have errors and omissions insurance available for notaries which is a policy that is designed especially for the notaries' own personal protection. This is an E&O policy this is designed especially for notaries which should not be confused with a Notary bond, which does not protect you.
