Applying to be a notary has never been easier. To bypass completing this form,

APPLY ONLINE at www.BeANotary.com

To apply for a commission, you must obtain a new notary bond in the amount of seven thousand five hundred dollars (\$7500) for new four year term.

The following will provide you solely with information related to the practice of your profession such as renewing your commission, protecting yourself with notary errors & omissions insurance, and being equipped with a legal marking device to perform your notarizations

The state of Kansas does not require you to obtain a new seal or notarial marking device when you renew your commission. However, if you should wish to change the type of seal that you presently have, we can provide a new seal or pre-inked stamp that complies with this provision. We can also provide a notarial record book to record your notarizations.
