Alaska Notary Commission Application Form Instructions

1. State law requires consistency between the name on your notary commission certificate, notary seal and how you sign your notarizations. Please print (don't sign!) legibly the version of your name that you will actually sign when performing your notarizations on this line. This will be the name that is printed on your commission certificate and notary seal and will be how you must sign all notarizations you perform during the entire term of this commission (e.g. S. Clark)
2. Please enter your full legal name (e.g. Steve M. Clark or Albert James Clark.)
3. If your current commission is about to expire and you are submitting an application for a new commission early to avoid any gaps in between the two commissions this information can be helpful, especially if your name on the current/prior commission is different than on this application.
4. Please indicate the name of the city where you actually perform the majority of your notarizations. We use this information to determine the level of notarial service available in each community and to help the public locate notaries in the field.
5. Please provide your personal and direct contact information. This information will only be used to contact you regarding any problems with your application and for other official business. It will not be available to the public.
6. State law requires you to provide a publicly available mailing address. This address will be freely available to anyone that requests it and will be used to send you commission materials and any correspondence from our office. It is available to notary supply vendors, other notary organizations and to the general public. Use any valid mailing address you wish and please remember to update this information with us when it changes.
7. State law also requires you to provide your actual residence address. This information remains confidential and will not be available to the public unless you also provide it as your publicly available mailing address.
8. Please print your employer's official business name.
9. Please print your employer's business contact phone number.

10. Please provide the complete physical address of the location where you work. Do not use a central corporate address, only the address where you will be working.
11. Please carefully read the qualifications for obtaining a notary commission in Alaska. If you have ever had a notary commission denied, suspended or revoked in any jurisdiction in any country please contact the notary office for further instruction before submitting your application.
12. This oath must be administered to you by a notary public and your signature on the oath must be notarized. Before you take the oath please familiarize yourself with Alaska's notary statutes that were updated on July 1, 2005. The notary statutes can be accessed on the notary web site (<http://ltgov.state.ak.us/notary/>). Please contact the notary office at 465-3509 or by email at notary@gov.state.ak.us for assistance or with any questions.
